Hospice Needs Volunteers!

Current Hospice of Marion County volunteers believe the blessings they receive through their service always exceed their expectations. They volunteer to give of themselves but feel that they receive so much more in return! They are seeking volunteers willing to provide companionship and emotional support to their patients and caregivers. To become one of these special volunteers, all you need is a loving heart and willingness to help others. Thorough training is provided. Call (352) 873-7441 for information - let them exceed your expectations!
