★ Thank You! ★
THANK YOU!

We serve the most amazing God, and if you doubt it I am living proof it is true! I cannot begin to express my depth of gratitude to all my family and friends who have prayed on my behalf, for it truly was by God's divine mercy, love & grace that I am home alive and on the mend today. I know there were many people praying for me during this ordeal, and I want to thank each of you for that blessing you so freely gave me. If we have no more faith than that of a mustard seed we can ask God, our loving father, to move a mountain and His divine word says that mountain shall be moved. I turned everything over to God in the Emergency Room, as I knew how serious my situation was, and God saw fit for me to be here a little while longer. I just wanted each of you to know how deeply I appreciated your gift of prayer, your love and your friendship.

In His Name,
Teresa Cherry
