

## Church Directory Updates...

We are in the process of updating the pictures in our church directory. We thought that this might be a good time to do it as some of our college students are home. We will be calling you (or just grabbing you on a Sunday) to get pictures! We are mainly updating families with children (because the kids have grown a lot since the original directory!) Also, if you have any changes on your page, we can update those, too! Thanks!

### Job Needed...

Betty J. is graduating from The Centers' residential substance abuse program. She has completely changed her life and is moving into a halfway house. She will need a job to begin her new life. Please call Meghan S. if you know of anyone in need of house cleaning, yard work or any other employment opportunity. Thanks so much!
